

Driving Directions to
Quintana Property in Lower Colonias, NM

approximate travel time from church is
 45 minutes

From Santa Fe, take I-25N toward Las Vegas.

- ① At Glorieta, take exit 299. Turn left at the stop sign and cross over I-25 to the end of the road. Turn right onto NM 50 and continue to the 4-way stop sign in Pecos (approximately 6 miles).
- ② At the 4-way stop sign, proceed straight ahead on NM223 and climb the hill to the next stop sign. Proceed straight ahead thru that stop sign until you cross a cattle-guard near the 2 mile marker.
- ③ Just past the cattle-guard you will see a sign for Cow Creek (do not follow that sign or go past it). Turn right onto County Road B44A just before the sign (note: it may not be marked with a road sign). Stay on that road for about 15 minutes. You will pass County Roads B44B and B44D (among others) along that road. When you begin the steep decline on that road you will be able to view the village of Lower Colonias in the valley to the left below.
- ④ At the bottom of the hill, turn left onto County Road B44C (don't ask me why it is not between Roads B44B and B44D)

Take the right fork in the road by the house with the hub-caps displayed and continue past the church to the Quintana property. Drive very slowly, the road can be very bumpy.
