Current Activities/Events

On Sunday, September 6th we will be holding a special baptism service. We have the privilege of witnessing one of the most important decisions a follower of Jesus will ever make- “following Jesus in baptism with the goal of never turning back.” Join us as we consider this very important doctrine and what it means to a new believer.

As we continue in our study of the Book of Acts, we will be considering the transforming power of the Holy Spirit as He begins to move mightily in the early church. The conclusion of chapter 5- reveals two very important characteristics of the early church- first, its power to help people heal and second, the courage to proclaim the Word of God. Join us on Sunday mornings at 10:00 am as we continue to embrace our 2026 theme- “Every Member a Missionary.”

This month, we continue with our “Evangelism Explosion” study. We will be embracing principles that focus on what it means to make witnessing a way of life as well as gleanng Biblically based methods for sharing the gospel. As we continue to commit to our 2026 vision of making- “Every Member a Missionary”, our prayer is that evangelism become a major part of our ministry. Join us on Wednesday evenings at 6:30 pm to equip you to do the “work of an evangelist.”

We will be holding a special service on Sunday, September 27th as our ACT theatre group shares a Biblical play about the life of Deborah in the book of Judges. The story is profound in the sense that God often calls His people to step out in faith which often requires great risk as part of His divine plan. Join us for this special presentation.

Save the Date(s) for the “Be The Light” Women's conference on Friday, October 16th & Saturday, October 17th . You do not want to miss this life transforming event.
