Kathleen (Kathy) Baughn

Kathleen A. Baughn has had the privilege of serving alongside her husband, Kevin, for 35 years in ministry. As a pastor's wife and missionary to Australia, Kathleen's heart has always been to serve God faithfully and to encourage others to experience the

transforming work of His Word in their lives. One of Kathleen's greatest joys has been serving her family and being used by God in the lives of her two grown children, their spouses, and her five grandchildren. Today, her family serves together as a ministry team at Living Word Bible Church in Lee's Summit, Missouri. Over the years, Kathleen has served in a variety of roles as her children's ages allowed, including substitute teaching and real estate. She later retired in 2017 from the NNSA, managed by Honeywell. She still enjoys any vacation that brings her near the ocean and the beach life she experienced while living in Australia. After many years of study, Kathleen continues to love discovering more truth, more light, and more joy each day in God's Word. To her, the Bible remains an exciting and life-changing book for every generation and every age—and it still works in amazing ways.

Kayleigh Sumner

Kayleigh Sumner is the daughter of Kevin and Kathy Baughn and spent a large portion of her childhood in Australia. Today, she is married to Jake Sumner, is a stay-at-home mother of three young children, ages 8, 6, and 5, and serves faithfully at Living Word Bible Church in Lee's Summit, Missouri. Kayleigh is involved

in several areas of ministry, including teaching Sunday school for multiple age groups and participating in discipleship ministry. She also volunteers in her children's school classrooms as a practical and meaningful way to serve, build relationships, and connect with others in the community. Kayleigh is also currently developing the faith-based yoga outreach ministry through Living Word, with the goal of helping others grow in both faith and wellness while looking for opportunities to share the light of Christ with those around her.

She is a stay-at-home mother of two children, ages 7 and 5, and serves faithfully alongside her family at Living Word Bible Church in Lee's Summit, Missouri. Lauren is involved in several areas of ministry, including music ministry, discipleship,

and teaching Sunday school for multiple age groups. She also helps support the church's publication and media needs by recording, formatting, and preparing teaching materials for print. In addition to her church ministry, Lauren volunteers at her children's school as an outreach opportunity and a meaningful way to serve and connect with families in the community. She is also currently working toward a nutrition certification, with the goal of developing a faith-based health and wellness outreach ministry to help others care for both body and spirit.
